## SUMMARY

---

I am a student who is curious to try new things with my dedication and hard-work. I am also interested in making new connection in order for my improvements in communication.

## EDUCATION

---

### Bachelor in Software Engineering

Nepal College of Information Technology / Lalitpur / August, 2016 - Present  
I am currently reading in this college and doing my bachelors in Software Engineering. After the lock down I have been preparing to complete my backlogs to graduate from the college.

## TRAINING/CERTIFICATIONS

---

### Front-end Web Development

Broadway Infosys , 2022  
I have completed my Front-end Web Development training from Broadway Infosys. I have also done some projects on it.
